

Team Registration Sheet

The Laurel County Life Center is partnering with Laurel County Homecoming to host a Putt-Putt Scramble! 18 teams of 4 will play 18 holes of Putt-putt. There will be prizes for the best team name, the lowest score, and highest score.

Since we at the Life Center are all about helping babies and families, some of the holes will have added baby themed obstacles.

Lunch will be provided by Laurel County Home Coming after the scramble.

Each player will putt once then determine which ball is the closest to the hole. Each player will then putt again moving their ball to the area where the best ball was. They will continue playing like this until someone gets the ball in the hole. The team will record the lowest score.
